4. Funding Requests: None.
5. Concession Stand Updates
6. Upcoming Events:
  - a. Kohl's Kicking Camp: 7/20-21. We are expecting 400-500 athletes and with family, up to 1800 people total. Volunteer hours will count for the upcoming school year. The upper stand will be open for drinks. The Sign Up Genius is active and many slots are still open so please sign up!
  - b. Open Track Meet: 7/27 8-11am. We will consider opening the stand for this.
7. Coaches' Concerns:
  - a. \*\*\*Reminder that the 75% coach and parent rep attendance requirement starts tonight. We established this requirement last year and have had many reminders, but tonight is the first official tracking night. If there is a game/meet on a Booster club night, that will be an excused absence. If the attendance requirement is not met, funding requests will not be granted, starting 1 year from tonight. Attendance will be based on the previous 12 months from the time of the request.\*\*\*
8. Old Business:
  - a. Mobile popcorn wagon: Additional insurance coverage would be \$70-185 (we got 2 different quotes from our insurance company). We could rent it out to groups for fund raising. If it is a school event the Booster Club retains the proceeds. The biggest concern is the storage. The wagon is 9 feet tall. Mike will look into possible storage in the garages under the bleachers.

- b. Black Canyon sign update. This is still pending. Reminder that if anyone wants to use this coffee for an event, they need to contact Madeline Timm. At least 1 week advance notice is required.

Adjourned 7:30pm.
